To the right of the word "MEETING" is a small, blue, stylized leafy branch. The background is white with decorative elements: wavy lines in shades of brown and tan in the top corners, and stylized leaf illustrations in the bottom corners, all set against a backdrop of soft, overlapping circles in muted colors.

How should I complete my application?

- You should list up to 12 program choices in your **genuine, true order of preference**. If you don't receive an offer to your first choice, you have the same chance of matching to your second choice as if it had been placed first, and so on.
- **Don't ONLY apply to high-demand schools.** If you are applying to high-demand middle schools, you should consider also applying to schools with average or lower demand.
- **After applying to your favorite choices, consider adding some additional programs.** Adding programs to your application after your favorites does not lower your chance of matching to a top choice.
